

*"It takes a whole village
to raise a child."*
(African proverb)

No man is an island, the saying goes; nor is the protestant church's Kinderhaus. That's why we place such importance on networking everything that we do, not only within the congregation and the local community, but also with other institutions sharing a similar social-education remit.

"Give us a call so we can arrange a personal appointment for you. We'll be happy to show you round our premises and to answer whatever questions you may have."
